<p>National Congregations Study</p> <p><a href="#">(click here for more information on this project)</a></p>	<p>What is the full name of your congregation?                      What is the full street address and telephone number of your congregation?                      What county is your congregation in?                      Is this also the address at which your congregation receives mail?                      What is your name, address, and telephone number?                      What is your position in this congregation?</p> <p>1-5</p>	<p>In what year was your congregation officially founded?                      In what year did your congregation begin worshipping at its current location?                      6, 7</p>	<p>Thinking of the regular adult participants in your congregation, about what percent would you say are new to this congregation per year? That is, how many have become involved since month/last year?                      Thinking again of these regular adult participants, what percent would you say are female?                      About what percent would you say have four year college degrees or more?                      About what percent of the regular adult participants have less than a high school diploma?                      Of the regular adult participants, about what percentage would you say are over 60 years old?                      What percentage of the regular adult participants would you say are under 35 years old?                      Still thinking about the regular adult participants, what percentage would</p>	<p>First, how many persons would you say are associate in any way with the religious life of this congregation, counting both adults and children, counting both regular and irregular participants, counting both official or registered members and also participating nonmembers. What is the total number of persons associated with this congregation to any degree at all?                      How many persons, counting both adults and children, would you say regularly participate in the religious life of your congregation whether or not they are officially members of your congregation?                      How many adults people 18 years or older would you say regularly participate in the religious life of your congregation?                      13-15</p>	<p>How much money, overall did your congregation directly spend on all of these projects or programs within the last 12 months? Here, I am asking about direct cash donations from your congregation, not counting staff time or volunteer time.                      Are any of these programs that you have mentioned supported by outside funds directly provided to your congregation by other agencies or organizations?                      Have you heard about legislation in Congress that would enable religious congregations to apply for public money to support their human service programs?                      Does your congregation operate with a formal, written annual budget?                      What is the total amount of money your congregation received in income</p>	<p>What is your name, address, and telephone number?                      What is your position in this congregation?                      Does your congregation meet in a church/temple/mosque or some other kind of building?                      What type of building does your congregation currently use for the primary worship services?                      Do visitors ever come to view the building or the worship space to look at its architecture, or at artwork like stained glass windows or statues?                      Does this building belong to your congregation or does it belong to another group that loans or rents space to you?                      Within the past 12 months, have there been groups, programs, or events that have no connection to your congregation but</p>	<p>Does your congregation use electronic mail to communicate with members?                      Within the past 12 months, has your congregation made use of any types of services offered by a denomination, another religious organization, or an outside consultant of any sort?                      Thinking of the regular adult participants in your congregation, about what percent would you say are new to this congregation in the past year? That is, how many have become involved since (month/last year)?                      76, 78, 90</p>	

			<p>you say live within a ten-minute walk of the place where you meet?</p> <p>What percent live more than a 30-minute drive away?</p> <p>Of the regular adult participants, what percent would you say live in households with income under \$25,000 a year?</p> <p>What percent would you say live in households with income higher than \$199,000 a year?</p> <p>What percent would you say own their own store or business?</p> <p>What percent of the regular adult participants in your congregation are white and nonhispanic?</p> <p>What percent are black or African American?</p> <p>Hispanic or Latino?</p> <p>What is the largest specific Hispanic ethnicity in your congregation?</p> <p>Asian or Pacific Islander?</p> <p>What is the largest specific Asian ethnicity in your congregation?</p> <p>Any other ethnic groups?</p> <p>Specify</p>		<p>from all sources during your most recent fiscal year?</p> <p>Of this amount, how much came from individual's donations, dues, or contributions?</p> <p>During your most recent fiscal year, did your congregation receive any income from the sale or rent of your building or property?</p> <p>During your most recent fiscal year, did your congregation receive any income from your denomination or religious group?</p> <p>What was your total congregational budget for the most recent fiscal year, the total amount that your congregation spent for all purposes, including standard operating costs, salaries, money sent to your denomination or other religious organizations, and all other purposes?</p> <p>In your most recent fiscal year, did your congregation give any money to your denomination or convention?</p> <p>In the most recent fiscal year, did your</p>	<p>have used or rented space in your building? This might include other congregations, AA groups, day care centers, or once a year events like fairs, concerts, or art shows.</p> <p>4, 5, 10-12, 58</p>
